make love tenderly.

an open bridge across the river.

she kissed him for a while.

a field full of poppies and school graduation videotapes.

sky and sea the same blue.

the angel eloise plays a clip of audrey hepburn in “funny face.”

paloma is too sad.

during the berlin crisis.

she has brown antibiotics too, and a pocket vessel made of mineral  
coffee.

powered by the wind.

fifty-five rag dolls squeezed in one face starring marlon brando.

people sleeping in cars.

people burning cars.
